DoL inspires Christmas celebration

Ministry type	Discipline of Love

"I had the opportunity of preaching yesterday at church. I shared the thoughts from my first Journal of the Discipline of Love, and thoughts about Christmas. I ended by giving several practical ways God's love can be celebrated on Christmas Day. Seven families and 9 individuals stood and committed to do 16 (sixteen) practical things on Christmas. We agreed that celebrating Christmas in this way will help us not only focusing on selves but sharing Christ's love." Dyonah from Liberia
