July was a very special time with the children since we celebrated the end of the school year as well as “Children Day”. In Carapita we had two celebrations, one inside the church Vida Nueva, aimed to the church's children and the community children near the church; and another celebration was at the sector called Las Delicias. This last activity took place at a basketball court and about 80 children from this sector attended the invitation. There were songs, games and candies and cookies for all the children! As you will see through the pictures the children had a great time :).

Pictures taken at las Delicias, as we were celebrating and playing with the children!

They had a great time with the games, and also with the performing of praise songs to our Lord!
