

**Title: Easter Celebration at Church Vida Nueva**

**Ministry type:** Seed Project      **Area(s) of Impact:** Spiritual /Social

**Country:** Venezuela - Carapita      **Date:** April – Easter 2010

**Report Source:** Xiomara Suarez

During this past Easter celebration the young people from the church Vida Nueva prepared a wonderful drama about Christ crucifixion and resurrection. The church also prepared an Easter dinner and invited the neighbors to share and celebrate with them Christ's resurrection day. Everybody was involved in preparing the food, the decoration, the drama and inviting the neighbors. That Sunday morning was very special and the church was full! The drama was excellent and the neighbors liked it very much. Pastor Lugo gave a meditation on the meaning of Jesus death and resurrection and all the visitors were touched by God. After that, the sharing time and the food was a great opportunity to rejoice and have neighbors and believers enjoying a nice fellowship. You can see some of the pictures ...
