Advice on Strategic Planning for Manantial Church.

After several training sessions and Ministry in Biblical Worldview Integral conducted in 2010, Manantial Church decided to develop a Strategic Plan for 5 years where he laid out the vision and mission for the church:

- VISION: "To be a church renewed by the Holy Scriptures to transform our community, reflecting the principles and values that glorify God. "
- MISSION: To develop a holistic ministry, reaching non-believers, helping them grow in communion with the church and prepare to serve to honor the Lord. "

This plan will be implemented taking into account the following themes:

1. Biblical Worldview of the Kingdom of God.

2. Integral ministry (Luke 2:52).
3. Biblical Ethics of Development.
4. Mobilizing the Church to the Community.
5. Focus on people, relationships and processes of discipleship.
