👏 This wonderful group encompasses people from Phoenix and Chandler, sister cities here in Arizona. We worked together for 4 weeks, training and practicing biblical wholism, in the same way that we do in South America, enjoying the fellowship of the Hispanic churches that they represent.

👏 2011 was our 10th year of service with Harvest. God blessed us and acted in wonderful ways in the fields where we serve, with the following results:

- ✓16 leaders training on a regular basis
- ✓63 churches, 8 large scale projects, and 17 organizations applying principles of biblical wholism, and
- ✓5 publications printed and distributed

👏 On Dec. 10th, 2010, Harvest Partners in Brazil, Bill & Barbara, had to make a difficult decision to return to their hometown, and reconcile with their extended family, after five years of having a broken relationship. They did it as an act of obedience to God. Bill started a new job at the city and a ministry of school chaplaincy, reaching to 3,000 students per month. Barbara started a small business making chocolate at home. The family experienced reconciliation and today, Bill's father is his best friend. In the next days, Bill and Barbara will have her two children back living with them. This dear couple are part of the Harvest Brazil team, and they look forward to encourage as many people as the Lord brings to their life to make obedience to God a mark of their lifestyle.
