1. Administration – Office

Our office was officially open on 31st May. The prayer of consecration was led by Bishop Nyamuke Idore and Buingo presented the entire harvest and SSA team to the guests. We shared the Word of God from Psalms 127 :1-5. We thank God for providing an office for SSA and harvest in Congo after being working in our houses for four years. Pray also that God would provide financial resources to remunerate one volunteer staff ; Sister Aurelie who works in our office as permanent secretary.
