## **PRAISE REPORTE AND PRAYER CONCERNS.**

- Communication problems got worse, we really had a hard week since there was a phone line damage and Internet service did not work for a period of time. Please keep on praying for our means of communication improvement.
- Please pray for pastor Pedro Lluberres and sister Jany, Harvest Staff members, who left today for Haiti. They are bringing food to a children orphanage.
- Our brothers and sisters from Haiti need all kind of help and support during this hard time for many of them.

Please keep on praying for Haiti.

- Rejoy and and again I say rejoy in the Lord always.
- Please pray for sister Aurelisa Alburquerque, Clemente richardson, Pedro LLuberes, Fior Abreu, Jose Medina who are attending the Staff Conference this April 17 – 23, 2010. This is the first time that six dominicans attend a Staff Conference. We are very, very happy with this gift from God. Please pray for our respective families.-
- Please keep on praying for wisdom since we have a lot of work to be done before going to the staff Conference. We need to go ahead to gorify our God together.
- Please continue to pray for our church pastors and leaders in our country who have been working on behalf of our neighbors the haitians, specially for the logistic and policy to distribute help in Haiti.
- Please pray that God`s perfect will, his intentions be real and manifestad in our staff Conference.
- 

**WE GLORIFY AND HONOR OUR LORD.**

To serve you,

Ricci Paulino.
