Your Kingdom is for all centuries and your Lordship for all generations. Psalms 145:13

PRAISE REPORT AND PRAYER CONCERNS.

September and October are the months when the Hurricanes are more active in the Atlantic Area. Currently Igor could reach category 5 and Tropical Storm Julia has a 40 % chance to turn out to be a Hurricane. The last one is a new phenomenon between haiti and Dominican Republic area. Thousand of mailies will be evacuated inhaiti by the threat of this hurricane season.

PLEASE PRAY FOR THESE SITUATION.

Please continue to pray for the outbreak of measles and rubella here in Dominican Republic and Haiti, specially for children that can be vaccinated.

- ✚ Please continue to pray for the multiple situations in our country, praying that God send answers to our communities. There is much uncertainty that prevents development and progress.
- ✚ Strong blackouts keep dark communities for a period of 12 to 18 hours per day.
- ✚ Please continue to pray for us, we need wisdom and God ´s address in everything we do to glorify him.
- ✚ Please pray that God ´s knowledge reach our hearts, only this way ,we will have real changes.
- ✚ Please pray for the new churches and ministries whose pastors do not know Harvest Program. They have invited us to teach them. They have seen those churches that are applying the Harvest Traning Program.

Evangelical pastors reported that Haiti customs authorities maintain a hardening with tax measures, so tons of aid in food and medicine are being lost in Dominican Republic to the detriment of thousands of victims of earthquake ground that affected Haiti last January.

Please pray God who can intervene in situations like this.

It is incredible the wave of kidnapping, robbery, victim, unemployment among other situations affecting seriously our country.

We urgently need divine intervention, please pray for us for these situations.

- ✚ Please pray for the Partnership Program that Dominican churches may be interested in interacting with other churches.
- ✚ Breakbone Fever Disease is still wreaking in our country causing more death in children and young people.

✚ **Please continue to pray for the prevention of Leptospira.**

✚ Please continue to pray for pastor Miguelito in Santiago, El Limon who needs wisdom to deal with multiple situations at the moment.

✚ Please continue to pray for Pastor Pedro Lluberes and his family who has great challenges at Brisa del Este Community.

✚ **Please continue to pray for our training Program, seminars and centers for the sole purpose that men and women of God are developed (Luke 2: 52)**

16 provinces are on alert due to heavy rains.

Increasing cases of tuberculosis in the Dominican Republic after earthquake in Haiti.

There was an alarming situation during a Congress

where Specialists demonstrated that Tuberculosis disease increased lately.

FATHER, THANK YOU FOR EACH ONE OF THE SITUATIONS WE ARE FACING AT. PLEASE GUIDE US ACCORDING TO YOUR PERFECT WILL.

Serving our Lord,

Ricci Paulino.
