

PRAISE REPORT AND PRAYER CONCERNS.

- Please pray for the DR Harvest Office construction which is in process as you can see in attachment.
- Please pray for the world vision teaching and the wholistic development done in our training centers.
- Please pray for the new churches ready to start the first level of our training program next month.

- Please pray for the meeting we are going to have this November and December with different nongovernmental organizations, churches and ministries in order to continue with our work for the whole current year.

- Please pray for the basic resources needed for the ministry development advance.

- We glorify God for the good time in Peru. Aurelisa, Peter, Abraham and I were able to go to the Vision Conference in Peru, Lima. We are so thankful to God and all of you who helped for that. Now we ask you to pray that we be ready to multiply this wonderful teaching and experience.

- Please praise God for the wonderful weather these days in our country. Electricity is also improving a little bit.
