

HARVEST FOUNDATION

Pioneros del Desarrollo Integral Según Lucas 2:52 Pioneer of the Wholistic
Harvest Ministry according to Luke 2:52
We are called to serve others!

August 30, 2010.

***THE PRAYER OF A RIGHTEOUS MAN IS POWERFUL AND EFFECTIVE.
James 5:16***

PRAYERS, PETITIONS, CLAIMS TO GOD AND CURRENT COMMENTS.

[Infant mortality increases in June](#)

In the month of June, 1,253 children had died from various causes this year, so 11,206 child deaths in the last four years. **Let's pray for children's situation during this difficult time.**

GLORY TO THE LORD FOR THOSE WHO DID THEIR ASSIGNMENTS.

23 church leaders finished their personal development plans in the four development areas according to Luke 2: 52, 11 of them planned seed projects, 14 of them committed to use BASICS after participating in our TOT.

Please continue to pray for the development of these news leaders as they glorify God in the Development areas.

- ❖ Please pray for the multiple situation in our country, We know God has an answer to each situation for our communities. There is insecurity and this avoids to see the development as it should be.
- ❖ Please keep on praying for us, we need wisdom and God's address in everything we do in order to glorify him.
- ❖ Please pray that people return to God, that is the only way to have true changes.
- ❖ Please pray for our churches and ministries which do not know Harvest Program yet. Many of them have invited us to teach them. They have seen the development of other churches that are applying Harvest lessons.

- ❖ Please continue to pray for the Partnership Program for those churches interested in having a relationship with other churches to continue glorifying God together.

Ministries started a day prevention against Dengue (Breaking Bone Fever)

The ministries of Public health and education, announced this Tuesday the beginning of an intensive day to combat and control Dengue (Bone Fever) in Public and Private Schools which involves 2.7 million students of Basic Levels and Middle . They reported that the main purpose of the activity is to eradicate mosquito breeding and contribute to the education of people regard tropical disease prevention. **Please keep on praying for this hard situation.**

- ❖ **Please continue to pray for Leptopirosis Disease prevention.**
- ❖ Please pray for our Harvest Staff Meeting the first Thursday of each month so that we can share together and attend this important event.
- ❖ Please pray for pastor Miguel from Santiago, Limon , Villa Gonzalez who needs wisdom to face multiple situations this moment.

HOW WONDERFUL YOU ARE, WE PRAISE YOU AND GLORIFY YOU , OH LORD.

Serving to the Lord,

Ricci Paulino.
