

November 2011 Harvest Ethiopia Monthly Report

I trust that you are doing great, looking forward to celebrating the birth of our Lord and Savior Jesus Christ.

As always, Harvest Ethiopia is striving towards its ends. To ensure the sustainability of the ministry, currently we are focusing on trainers. Within this report month, on Dec 01, 2011, we had trainers' meeting at Emanuel Church. After listening to the report of each trainer, we took time to set a date for monthly meeting. Through meeting once in a month, the trainers will present their progress report for each other and as well discuss current issues and challenges they face as they engage in the ministry. This will highly assists their ministry for it will provide an opportunity to present and discuss on their challenges and motivate each other through prayers.

Involving Bible school teacher is one new method proposed so as to enlarge the ministry. To begin with, it is planned to train teachers from 3-5 well known and influential Bible schools with our training material and the already undergoing course at Evangelical Theological College so that they may be able to incorporate into their course.

Moreover, within in this month, God gave us an opportunity to train 120 ministers, as a result of a pastor's vision to engage his church members and ministers in serving the community. The training was conducted for four weekends, every consecutive Saturdays, from 3-7 pm at Christian Temple church. After the training, the pastor was able to bring his vision to reality. This is because he learned how to employ his church members and ministers in a ministry that fulfills God's plan for the community at large, by carrying out their God given ministry as an ambassador and change agent within the specific community they are placed in.

Attached shows as the Pastor encouraging the trainee and trainees partial pictures.

Praise Items and prayer Request:

Praise God with us for the great opportunity he has given us to serve him and for many open doors.

Praise God for the wonderfully gifted, actively engaged church leaders are now under mentorship.

Please pray with us as well, for God to provide us with sufficient finance so that to get an office assistant to carry out the office task regularly.

"The harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field." Matt 9:37-38

May God Continue to bless you,
Demelash Lemma
