

"By this shall all men know that you are disciples if you love one another" John 13:35.

Not everyone who calls out to me, Lord! Lord! Will enter the Kingdom of Heaven. Only those who actually do the will of my Father in Heaven will enter. On the judgment day, many will say to me, Lord! Lord! We prophesied in your name and cast out demons in your name and performed many miracles in your name.' But I will reply, 'I never knew you. Get away from me, you who break God's laws.' Matthew 7:21-23

Remember!

Dearly Beloved,
Grace and peace to you from God our Father and the Lord Jesus Christ.

"My little children, let us not love in word or in tongue, but in deed and in truth." Matthew 9:18.

Praise the Lord for all your kind prayer support. By the grace of God I safely arrived from the US after our staff meetings and had the opportunity to visit friends and love ones.

VISIT TO THE US

This one month trip took me to Austin in Texas, Chattanooga and Nashville in Tennessee, Denver in Colorado and Spokane in Washington. God gave me wonderful opportunities of sharing ministry and the wholistic vision with pastors and church leaders in all these places. Great relationships have been developed and is being for the expansion of the Kingdom of God and the positioning of God's children appropriately as God's instrument for the transformation of the nations.

In Spokane, I had the opportunity to speak to 90 theological students of Moody College from the book of Hebrews and how it relates to Africa when thinking of ministry.

- ❖ Our staff conference in Phoenix, Arizona was most refreshing, people around the globe who share the wholistic vision gathered from different continents, language groups and cultures testifying about the transforming power of God in their communities and nations. With the theme "Let this mind be in you..." Philippians 2:5, we were led into all facets of the topic "Servant Leadership" by Canon Tony Baron an Anglican priest from California.

GHANA VISION CONFERENCE

This Vision Conference from the 24-28 May ended successfully. Twenty one people attended and my team members-Revs. Asante, Antwi, Victor Addom, Kyle Abts our representative from Nigeria and I facilitated. Excellent innovations of training were used by some of my

team members and I praise God for that.

SAMARITAN FAMILY MEETINGS

Our quarterly family meeting of sharing fellowship also came on at Tesano Baptist Church. Even though the attendance was poor with 15 people participation, the fellowship was intense and passion for the transformation of our communities also strong with Midori Yanagisawa of Japan sharing her experience with us.

Family News and Prayer Requests

Praise God for the children God has given me: Jennifer is doing fine by God's grace at Whitworth University. Chris Jnr and Eugene are also fine in their boarding High Schools. Edwina loves soccer and looks very smart and hard working, Edwin is however slow but loves scripture

union at school and always helped the mother in the kitchen, Ebenezer like joking, always keeping the family laughing. Adjoa is busy at work, she will soon go for an interview for the position of Deputy Director of Nursing. Kindly pray for her.

4. From the 23 June to the 1st of July, we shall be expecting a team from Spokane from the Redeemer Lutheran Church-a church who seriously believes in Seed Projects. They are coming to help build a village school which was started as a Seed Project, it is gradually growing to be a Project which needs support. Now in the seventh grade but bush roofed, sand floor, without tables and chairs.

Seed Project Story from Niger.

Pastor Wakasso from Niamey, Niger recounted how his small poor church of 150 members responded to the Haiti earthquake. "Having learnt from Chris how to demonstrate God love through Seed Project, the Haiti disaster touched my hearts and I shared with my Church what we can do to help. Niger is the poorest country in the world but my church was able to raise \$200 which was sent to Haiti. The next thing that happened was that we saw our name on the internet as one Church in Niger that has contributed something to help the people of Haiti. When the big churches of Niamey saw this, they said, if even a small church like ours in a country which we all claim to be poor have contributed to help Haiti, then we can also do something. Because of this small gift of ours, churches in Niger started contributing some gifts to the people of Niger. Praise the Lord".
