***"By this shall all men know that you are disciples if you love one another"
John 13:35.***

Not everyone who calls out to me, Lord! Lord! Will enter the Kingdom of Heaven. Only those who actually do the will of my Father in Heaven will enter. On the judgment day, many will say to me, Lord! Lord! We prophesied in your name and cast out demons in your name and performed many miracles in your name.' But I will reply, 'I never knew you. Get away from me, you who break God's laws.'
Matthew 7:21-23

Remember!

"If the Church fails to disciple the nations, the nations will disciple the Church".

WEST AFRICA COUNTRY REPRESENTATIVES

By God's grace, our country representatives have shown great enthusiasm and zeal to avail ourselves to the nations as in heaven. We had nine representatives from Burkina Faso, Ghana, Ivory Coast, Sierra Leone, and Nigeria. As per our program, we received reports on the discipline of love stories. We also discussed various methodologies and strategies to make the application disciplines.

Our only sad story was when our representative had a serious accident on his way to Ghana.

TEACHING

Thank God, we have been offered the opportunity to teach at Maranatha University Colleges by the grace of God. It is a privilege since we've been praying for a transformational wholistic message for Rev. Asante and myself. Please let us know how we can comprehend God's full intentions.

REGIONAL CONSULTATIVE MEETING MALTA

I had the privilege of being selected to represent Samaritan Strategy, Africa for this meeting in Malta. We gathered together Christian leaders from throughout Africa to discuss the following objectives: **Network:** For the Great Commission. **Train:** Help the churches to pollinate and share best methods. **Map:** A map to identify the greatest needs. **Testimony:** My experience for me as I was able to share the wholistic transformational message.

STORY

A director of WEC in the Gambia shared his thoughts about the wonderful seminar in Malta focusing on children and how they serve. The LDTP booklet is very helpful. But it's not enough. I hope you received from Ayeisha some ideas - making mud blocks for our neighborhood. Outside my house, I have the most beautiful garden. I just had to cut some and put them in a pot. I do a morning prayer walk around my area, including the walls etc. It sometimes takes deep breathers on the road. There is one wall I pass which is very ugly. At first, I thought, how ugly. But now I see and how the sun shines through the cracks, a sign of the fullness of His grace by which we have been saved.
