TEACHING, TRAINING

GOAL: Training of Trainer in different communities, and use all resources for to training others and to give follow to the application of the lessons.

Nov 01th - 07th Vision Conference YWAM Costa Rica : I had 18 students, We had a great and blessings time!. Lesson: Luke 2:52, Discipline of love, Minimum Irreducible, Definition of Seed Project, Plan of Seed Project, Project Development, 7 Habits, Development of Team, Moving Toward a Vision of Kingdom of God, Intention of God for the Church and we made some Dynamics of Team. The students came from: USA, CANADA, MEXICO, COLOMBIA, COSTA RICA, CAMEROON, TRINIDAD-TOBAGO, ALEMANIA, HOLLAND and BRAZIL.

We had some amazing experience when we was working in some Dynamic of Team God move in the life of one of student his name Daniel from Brazil (see picture above), the dynamic was about every player of the Team hit the ball in the middle of the containers, and made it in less minutes than other; at the end when we did evaluate, Daniel share with us that to make this dynamic was very important to him and in the beginning he thought that he could not make it and to think to be in shame that was difficult for him, because he is Brazilian and all the Brazilian need to be good soccer player but he never could to practice some sport because he need to support his family from early age. This moment the Holy Spirit touch him and begin to cry, we had amazing time praying. Thanks God Daniel could make well the dynamic!

We had a blessing cultural time learn about food, dance from Brazil and Gambia y Cameroon. The student was very interests in Harvest training and we have invitation to VC in Cameroon, Trinidad-Tobago and Brazil, the others want to learn more, they are hope to take this conference next year again. I told them that we need to be in communication to coordinate with Harvest office USA for one of Team can make this visit to these different countries.

NETWORK

Nov 10th - 12th Evaluation of work in El Triunfo for to make a Partner with CRWRC: We had a blessing meeting, praying and praying to the Lord; in different communities; El Triunfo (16 leaders), El Limon (14 leaders), El Coyal (23 leaders) and La Pena (21). We can make a analysis FODA for to make plan for next year.

CRWRC (Reformed Church) is a organization that want to be a partner with other organization that work in the development of the communities, now this organization can help directly the communities in the zone south in some projects(filters of water and others), health and groups of credit for micro commerce; They need to evaluate the work of Harvest Honduras before to be Partner; this evaluation was very hard , a lot documents and the evaluation in the field was a lot of blessings because they can see a lot of results of God and the all the work made was reward because some communities will be blessing with the some support to development their communities in health and seed production and other commerce. This organization want to be a partner with Harvest because they love the Harvest Material, they love the Christian education, they love the grow of the leader of the churches, leader of health and other leader of the communities in holistic ministry; communities transformers. All the Glory only to God for let us to see these blessings in those communities.

Some amazing stories:

- **Marlon** (in the picture left bottom): He begin to sell bananas, and God bless him and now he have a little store and sell a lot of things in the community El Limon, now he can support better his family.
- **Ramon;** when was young, the school do not let him to study because he has a problem in one of his eyes, he grow uncomfortable with the community of La Pena, he learn to read by his mother and study some books about the natural medicine and now he is a great leader helping his community.

GOAL: work with others organizations.
