**ELECTION RESULT- April 04**

-In the beginning of April was a big suspense for the population about the presidential election result. And finally, the result was done; the popular singer became President of the

country. Please pray for the new President and the government that we will have soon.

**-TRIP TO MARIGOT - April 06**

Marigot is a city in the south East of the Country. We had a meeting there with Roseline Petion the Pastor of Nouvelle Alliance

Apostolique (New Apostolic Alliance Church) to talk about the Harvest Training.

**-BOARD MEETING SKDE - APRIL 15**

That meeting took place in a beautiful park in Port-au-Prince. The name of the park is: " Parc Historique de la Canne a Sucre". If I want to translate it in English, I would say: " Historik Park of sugar cane" we were Five men in that meeting. It was a good opportunity to me to talk about the Regional Staff Conference of Harvest in Haiti. It was good news for them and they agree to give their help to realize the event.

**-EASTER WORSHIP SERVICE - APRIL 24**

They come to baptize and become church member.

It was a special Worship service. Christian people from the Church invited non-Christian in the community to come to celebrate the death and the resurrection of Jesus-Christ. It was a special time for people of the church to eat a sandwich with non- Christian in the community to show them the love of God. Five young people were baptized that day.

RELIEF PROJECT IN BAINET- April 25

We repair eleven houses, ten in Bainet and one Port-au-Prince. I will present a report on that project directly.

-RAMEPECH- April 30

In the spirit that the church is a window to show the love of God to the people in the community, we encourage churches in the area to work

together. After a year of meeting to pray and share ideas, we finish by created "RAMEPECH". For now, RAMEPECH is a union of seven churches. We meet two times a month to pray and study in what area the church can help in the community. April 30, RAMEPECH did the first demonstration in the community. Many Christians from churches meet together tools like wheelbarrow, shovel, rake, broom and clean a big part of the community. Many people from the community were very exited by the work. Many of them promised to give their contributions to RAMEPECH to continue to be involved in that way. So many garbage leave the community in a short time From 8:00 AM to 1:00 PM. Please pray for RAMEPECH.
