

It is our great appreciation for your partnership in the Kingdom. The Word you have sown, the vision you have imparted, the love you have shown, the resources you have shared have been greatly advancing the Kingdom of God in Myanmar.

We had the following ministry activities as follows:

1. More than 15,730 Christmas Love Boxes and Bags were distributed in December 2010. As a result 22 people were baptized in Sint-Gaing, Mandalay Division and more than 100 baptized in Giri Cyclone affected villages in Yakkhine State.

2. 53 young people attended the youth training in Mandalay in March 2011 and 135 Myanmar believers attended the Water Festival Camp in Chiang Mai in April. 15 Women and 5 young people attended the World View and Development training in Yangon in April. Although all these events were not named Vision Conferences, the messages of Vision Conference were given to the trainees and many lives were transformed.

3. A SOD Alumni Conference was conducted on May 3-6. Although 45 Alumni attended, many more wanted to attend but some were unable to leave their work and some do not have money to come from distant cities. It was a great joy to hear their stories in their work place, in their schools and in their communities. We celebrated the 7th Anniversary of the SOD on the last day. The alumni dedicated their lives. We decided to have SOD Alumni Conference once every two years.

4. 30 SOD students graduated the 26th of March 2011. About 12 of them will be back for SOD Wholistic Leadership Institute 2-year program, which will open on the 11th of June 2011. These students have committed their lives to serve the Lord and to nurture new students; furthermore, they have a vision to have a SOD in their respective regions.

5. Last year we had 72 children in "Living Water Child Development Center". They enjoyed very much the Summer Program, which included teaching English, Math, Games, the Bible, and Artwork. 3 graduated from SOD this year and now they have become big brothers

and sisters at the center. This year 6 will join SOD.

The children are playing games in the picture to the right.

6. William, our administrator from SOD and his family are now in the International Graduate School of Leadership (IGSL) in the Philippines. They will be there for three years. William will take courses in Community Development. After that they will be serving again with us at SOD. We send our staff for further study. Please remember them in prayer.

7. Prayer is an integral part of all that we do in Myanmar. One of the main prayer events was a time of prayer for the elections, the government and our citizens in our country.

On another occasion leaders from all the denominations came together to pray.

A prayer breakfast is conducted once a month, the first Friday of every month.

With the deepest appreciation from our heart for your love and many years of support, the work is indeed taking root, growing and multiplying.

Blessings,
Aung and Charity
