

Dear Harvest Family,

Thank you for your prayer! We had a wonderful time yesterday baptizing six people in Chhahara. We walked around four hours back and forth for approaching to the nearest river. It reminded us baptizing people in the Jordan river during Jesus' time. Please find some pictures of the event. One of believers who got baptized yesterday is blind. We guided him all the way down to the river and coming back to the church. Thank you for your prayer! Kamala and I got Motorbike accident and got minor injuries. Praise the Lord for His divine protection! We praise the Lord for the church in Chhahara which is growing beyond our imagination! Thank you for your prayer and partnership for the Kingdom's work.

In Christ's service,

Bishnu and Kamala
