

A wonderful vision conference was organized in *Sindhuli*, the Eastern Nepal on 6-8 July 2010. *Sindhuli* is a historical place where a historical war between Nepali and British army took place in 18th century. As the British Army were defeated by Nepali Army, a historical treaty was signed up which is known as “*Sugauli Treaty*”

Around 50 pastors and leaders, mostly young, have been benefitted from the conference. The training was highly regarded by participants and numbers of seed projects were planned and presented at the end of the conference. Pastor Bishnu Regmi facilitated eight sessions and rest sessions were facilitated by Pastor Tek Rijal, Pastor Mekh Bahadur Thapa and Mrs Romila Joshi. The highlights of the conference were those comments made by number of participants. Most of them expressed that they never had attended such a conference and learned about such biblical principles on wholistic ministry. Number of participants called Ps. Bishnu and Ps. Tek on phone and expressed their gratitude for attending the conference and how they are implementing their learning in the church and community.

Mr. Johnson from south India also attended the conference for learning of biblical wholistic ministry in Nepal. He was impressed seeing how the Lord is working in and through Nepali churches for bringing about transformation to the society. Although he had a language barrier, he expressed that he would be able to learn many things from the conference and interaction with local leaders.

Another best aspect of *Sindhuli VC* was mobilizing local trainers that was remarkable! Pastor Mekh Bahadur Thapa and Mrs Romila Joshi facilitated sessions on “The Role of the Church” and “Irreducible Minimum” very well. Now they along with other leader who had TOT with Bob Moffitt last year are confident for organizing and facilitating VCs at local level by themselves. Praise the Lord for them! *Sindhuli VC* was jointly organized by *Sindhuli Christian Community* and VNN.

Beautiful landscapes ... but scary road ... way to Sindhuli... !!!!

The Lord blessed Madan and Sophia a handsome baby boy, Yohshah two weeks ago. They are very happy with having him home special his older brother Yeshurun!

Please pray for up coming Vision Conference in *Itahari* in third week of September 2010.
