## OPPORTUNITY AFTER ONDOY?...

How good to see.. how God works after Ondoy Typhoon

Yes, it was an opportunity to all of us to show the love of God to those who have been affected by the storm Ondoy. Through Ondoy, God gave us the opportunity to reach out our neighbours in community to show how much God cares for them. Finally, through Ondoy God gave us the opportunity to praise and thank people like you. Your generosity made us possible to touch lives and meet the needs of victim families.

Cheng, Nonoy's wife prepared some soap and food, distributed it to our neighbourhood. The family gained their friendship through this simple act of love.

Through your gifts and sacrificial giving, we had opportunity to reflect the kind of love we have in Jesus. So far, we received Php 152, 000.00. This amount was converted to groceries. It was distributed in coordination with churches where we conducted Vision Conferences and taught wholistic approach of ministry. The amount came from friends like you who trust us but the bulk came from Hands of Love Philippines Foundation. HOLPFI is a Japan based foundation serving here in the Philippines. Our ministry through Harvest Foundation encouraged them to work to community through the church. Last August, we trained their staff together with more than fifty pastors and church leaders in Mindoro. We taught them how to work together in influencing their communities with Harvest materials and DNA.

Relief goods were in distributed in the following places and churches:

Bagong Silangan, Quezon City, Conception Marikina in partnership with Ptr. Ben and Ptr. Al Mingquez of LJOR Church

*Liputan, and Sta. Maria Bulacan in partnership with Ptr. Bhoj Ampiooco of Light House Assembly of God and Ptr. Bhoj Herrera of Awesome God Baptist church,*

**Ptr. Bhoj Herrera**

*Sta. Barbara and San Fabian, Pangasinan in partnership with Filipina Santiago of Himaya Resource Center and Ptra. Red Abarabar of Lord Jesus our Redeemer Church.*

Indeed we praise God for individual like you who love our people, make an effort to help and build families one at a time. Cheng and I are happy to tell you that relief operations had been successfully distributed to more than 500 families in Quezon City, Marikina, Bulacan and Pangasinan. Beneficiaries were blessed not only physically but spiritually as well. Many people in communities responded to the Gospel and are thankful because they felt the love of God through this act of kindness.

Phase 1 of our project which is relief distribution is done. We are about to begin with the next phase. Second phase of our program is livelihood. The purpose is to help families restore their source of income lost by calamities. Should the Lord provide, we will help families in rebuilding homes destroyed by typhoon. If not, we will proceed to a program with a more lasting effect. It is a pre-school for every church. Through pre-school, we hope to see a new breed of young ones who would be lovers of God, lovers of our nation and lovers of God's creation.

Thank you for your partnership. Your contribution is a demonstration how much you love God and our people. God bless you!

In His service,

Nonoy & Cheng
