Dear Encouragers,

Greetings in the wonderful name of our Lord Jesus Christ, I trust you are well and our God is blessing your efforts as you continue to serve Him.

April : Every year Rwanda commemorates Genocide (a war that was to eliminate all Tutsi in During this time Rwanda) , More than one million people were killed in a period of one hundred days .

One of the girls who live with us was very much affected during the genocide back in 1994.

During that time was traumatized by what she saw, that she was affected terrible. Now that she came to Christ a few years after the Genocide. When Christ came in my heart says Goreti , I am no longer bothered , Christ gave a new life , a new sense of direction and an assurance of salvation .

Goreti joined a team of people from our church which went to visit many orphans (Genocide cases) from the community. This team visited 8 families and also provided some food for them and encouraged them as well.

Now these guys when you tell them that Christ care and loves them , they know for sure Christ is risen , also suffered for them and gave them a new life and a new

sense of direction and hope for the future.

This week I was able to visit our school, It makes me happy to these kids grow in grace, intelligently, physically and socially. The school started several years back that since 2002.

We have seen many kids come to our school and promoted to high school.

We have been struggling to get teachers and their financial support for many years .

Today these children are doing well and have a feeding program which helps them grow physically , they eat porridge on every day basis and also take vitamins .As a

result they look healthy.. .

Last Saturday, some volunteers gave their time to help in last stages of building our church.

One of the old women said that “I don’t have money to give towards this church building project but I will give my time every Saturday for the next one month.

We have been building the church since 2004!!!! . Our God is still interested in his project. Thank you for giving towards this great project. We are in the finishing the task state.

Pray for the children of Rwanda to grow like Christ (Luke 2: 52)

Praise God for those who were traumatized are better because someone has encouraged them.

We are hosting Harvest Regional staff Conference on 13th to 17th June 2011, pray that those who will come will come with an expectant heart .

Pray for us as we continue to put things together for this great conference...
